### ACPE Accreditation Statement

The University of South Carolina College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education.

This program is accredited for a maximum of **9.2 live contact hours (0.92 CEUs)** of *knowledge-based activities* for pharmacists (*ACPE UANs and individual session credit hours as listed above*). To claim credit, participants must sign-in at the registration table for the conference and attend the activities which they are attending in their entirety. No partial credit will be issued. Participants must complete an online evaluation within 30 days (providing their correct NABP e-Profile ID and month/day of birth) in order to ensure credit is reported to the NABP CPE Monitor. The CPE Monitor will automatically reject all credit claimed and reported greater than 60 days from the date of the live program.
