

**Credits:** CME, CNE, SW CEUs, and ACPE credits are provided and there is no charge for participation.

**MEDICAL:** This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of The University of South Carolina School of Medicine – Prisma Health–Midlands Continuing Medical Education Organization (USCSOM-PHM CME) and the South Carolina HIV Clinical Training Center. The USCSOM-PHM CME Organization is accredited by the ACCME to provide continuing medical education for physicians.

The USCSOM-PHM CME Organization designates this live activity for a maximum of **1 AMA PRA Category 1 Credit™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**PHARMACIST:** The University of South Carolina College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. Each activity in the series is accredited for a total of 1.0 live contact hours (0.1 CEUs) for pharmacists. Participants must register, have attendance documented, attend the entire program, participate in all active learning and learning assessments, and complete the online evaluation (providing their correct NABP e-profile ID and month/day of birth) within 30 days of the activity to ensure credit is transmitted to the NABP CPE Monitor. Any credit claimed greater than 60 days from the date of the activity will be automatically rejected by the NABP CPE Monitor.

**NURSING:** Mid-Carolina AHEC is approved as a provider of nursing continuing professional development by South Carolina Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. This nursing continuing education activity, approval # 1811-032PR-258, is approved for 1.0 hours. Participants must attend 90% of the program in order to receive a certificate of attendance. No partial credit will be given.

**SOCIAL WORK:** This program has been approved by the SC Board of Social Work Examiners for general continuing education units by SC Department of Health and Environmental Control.

Columbia, SC 29201

**Let's Talk about PrEP**

**PrEP Awareness Week**  
September 27–October 2, 2021

**Earn Up to 5 FREE CEUs during this week!**

## Got PrEP?

The purpose of pre-exposure prophylaxis (PrEP) Awareness Week is to increase PrEP awareness, access, and use in South Carolina. FDA approved the use of antiretroviral medication to prevent HIV in 2012, but in 2021 South Carolina still has limited PrEP users.

This event supports South Carolina's Ending the Epidemics (EtE) initiative, a statewide campaign to eliminate new cases of HIV, STDs, viral hepatitis and substance use disorders by 2030. PrEP Awareness Week activities include webinars for providers, sexual health sessions for college students, and FREE HIV/STD testing. Please make plans to attend the daily PrEP webinars!

## Questions?

**Tia Robinson, DNP, APRN, WHNP-BC**

(she/her/hers)

PrEP Program Manager  
STD/HIV Division, SC DHEC  
[robinstk@dhec.sc.gov](mailto:robinstk@dhec.sc.gov)

**Adrena Harrison MSN, RN, ACRN**

(she/her/hers)

Director of Education  
SC HIV Clinical Training Center

## Schedule of Activities

### Target audience:

This educational event is for primary care physicians, nurse practitioners, physician assistants, pharmacists, nurses, social workers and other health care providers.

### Goal:

To enhance capacity of participants to deliver high-quality care to individuals desiring PrEP.

### Educational methods:

Webinar presentations with time for questions and answers.

Please register at [seaetc.com/calendar](https://seaetc.com/calendar) for provider trainings and continuing education credits.

### Monday, September 27, 12-1pm EST

#### PrEP: Past, Present, and Future

Omar Lucus, PharmD; Clinical Pharmacist  
USC Immunology Center

At the conclusion of the activity, the participant will be able to:

- Discuss the current data on pre-exposure prophylaxis (PrEP).
- Discuss current approved PrEP medications.
- Identify newer medications for PrEP.

Pharmacists: ACPE UAN 0062-9999-21-145-L02-P,  
1.0 live credit hours, knowledge-based activity

### Tuesday, September 28, 12-1pm EST

#### PrEP, Teens, and STD Laws

Bernard Gilliard, Program Manager SC Department of Health and Environmental Control  
Raymond Reiser, MD; Pediatrician Little River Medical Center

At the conclusion of the activity, the participant will be able to:

- Discuss effective approaches to behavioral change, from the PCP to integrated care models.
- Identify effective methods for recruitment and retention of high-risk adolescents.
- Discuss legal mandates and STD laws in South Carolina

Pharmacists: ACPE UAN 0062-9999-21-146-L02-P,  
1.0 live credit hours, knowledge-based activity

### Wednesday, September 29, 12-1pm EST

#### PrEP and Women's Health

Gweneth Lazenby, MD, MSCR; Associate Professor, Department of Obstetrics and Gynecology  
Medical University of South Carolina

At the conclusion of the activity, the participant will be able to:

- Discuss supportive evidence for PrEP use in women
- Identify women who are candidates for PrEP
- Recognize how to initiate and follow women on PrEP

Pharmacists: ACPE UAN 0062-9999-21-147-L02-P,  
1.0 live credit hours, knowledge-based activity

### Thursday, September 30, 12-1pm EST

#### Ensuring Equitable Delivery of PrEP Engagement Through Technology

Sayward Harrison, Ph.D;  
Assistant Professor, Department of Psychology  
University of South Carolina

At the conclusion of the activity, the participant will be able to:

- Discuss strategies on engaging clients interested in and receiving PrEP services
- Discuss the benefits of integrating technology into the PrEP continuum of care
- Recognize how technology can scale up PrEP in rural areas
- Identify potential challenges to technology-facilitated PrEP (e.g., limited access, confidentiality concerns)

Pharmacists: ACPE UAN 0062-9999-21-148-L02-P,  
1.0 live credit hours, knowledge-based activity.

### Friday, October 1, 12-1pm EST

#### PrEP: Sexual Health and the LGBTQIA+ Population

Sarah Wright, Psy.D, CST/S; Psychologist, Counseling & Psychiatry, University of South Carolina  
Kamla Sanasi-Bhola, MD; Clinical Assistant Professor of Internal Medicine, University of South Carolina

At the conclusion of the activity, the participant will be able to:

- Recognize the importance of understanding sexual health in clinical practice.
- Discuss providing equitable PrEP services to transgender clients.

Pharmacists: ACPE UAN 0062-9999-21-149-L02-P, 1.0 live credit hours, knowledge-based activity

Earn up to 5 FREE CEUs during this week!
