1:00 pm – 3:00 pm	<p>Concurrent Sessions V (High Impact Skill Building Sessions) Evidence-Based Interventions: The Value of Integrating Your Pharmacy Team as a Key Player in Vaccination Efforts <i>Courtney Kaye, PharmD, MBA, Director of Pharmacy, BJHCHS</i> <i>Chris Downey, PharmD, Ambulatory Care Pharmacist, NHFHS</i></p> <p>ACPE UAN 0062-9999-21-119-L04-P, 2.0 live credit hours (0.20 CEU)</p> <p>At the completion of this activity, the pharmacist will be able to:</p> <ol style="list-style-type: none"> 1. Discuss how federally qualified health centers are using their pharmacy team to support COVID vaccination efforts 2. Discuss best-practices for integrating the pharmacy team into vaccination efforts for children and adults across all vaccines 3. Outline three steps you can take to make your pharmacy team a permanent member of your health center’s vaccination team beyond pandemic response efforts within the next six months

ACPE Accreditation Statement

The University of South Carolina College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education.

This program is accredited for a maximum of **10.5 live contact hours (1.05 CEUs)** of *knowledge-based activities* for pharmacists (*ACPE UANs and individual session credit hours as listed above*). To claim credit, participants must sign-in at the registration table for the conference and attend the activities which they are attending in their entirety. No partial credit will be issued. Participants must complete an online evaluation within 30 days (providing their correct NABP e-Profile ID and month/day of birth) in order to ensure credit is reported to the NABP CPE Monitor. The CPE Monitor will automatically reject all credit claimed and reported greater than 60 days from the date of the live program.
