Conference for Pharmacy Technicians
May 4, 2023

CONTINUING EDUCATION CREDIT (Accreditation Statement)

The University of South Carolina College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education.

These activities are accredited for a maximum of **4 live contact hours (0.4 CEUs)** for pharmacy technicians (Learning Objectives, UANs and credit hours as specified on pages below). To claim credit, participants must register for the event, have their attendance at the live event verified, participate in all active learning activities, and complete all learning assessments during the activity. Participants must attend an hour-long session in its entirety to claim credit; no partial credit will be issued. Participants must complete an online evaluation within 30 days (providing their correct NABP e-Profile ID and month/day of birth) in order to ensure credit is reported to the NABP CPE Monitor. The CPE Monitor will automatically reject all credit claimed and reported greater than 60 days from the date of the live activity.

Please visit <http://cop.sc.learningexpressce.com> to contact the CPE provider with any questions regarding CPE credit.

Medication Errors & Patient Safety

(ACPE UAN 0062-9999-23-061-L05-T, 1 credit hour, application-based)

Objectives:

1. Identify common medication errors
2. Describe strategies to prevent medication errors
3. Assess a scenario/event and recommend a plan of action to improve patient safety

Pharmacy Legal & Regulatory Update 2023

(ACPE UAN 0062-9999-23-062-L03-T, 1 credit hour, knowledge-based)

Objectives:

1. Discuss legislative changes in South Carolina that impact pharmacy practice
2. Summarize federal and state legislation related to hormonal contraception and immunization practices in community pharmacy
3. Discuss the pharmacy technician's role in relation to the legislation regarding contraception

Immunization Update 2023

(ACPE UAN 0062-9999-23-063-L06-T, 1 credit hour, knowledge-based)

Objectives:

1. Identify how vaccines work with the immune system to develop lasting immune response
2. Discuss legal and regulatory updates impacting the provision of immunizations
3. Identify updates to the ACIP recommended vaccines for pediatric and adult populations

New Medications on the Market

(ACPE UAN 0062-9999-23-064-L01-T, 1 credit hour, knowledge-based)

Objectives:

1. Identify recently approved medications on the U.S. market
2. Discuss appropriate dosing and administration information for the newly approved medications
3. Recognize adverse effects to properly assess and monitor patients on therapy

Additional information will be included in the confirmation email that you receive upon registering for the event through Eventbrite.

Directions to the facility and other program information will be e-mailed to registrants 3 days prior to the event.
