16th Annual Heart Failure Symposium

Thursday, October 19, 2019

7:30am – 4:00pm

Registration: 7:30am

Program: 7:55am

The Piedmont Club Dress Code

Men: Gentlemen are required to wear a jacket at all times in all areas of the club. Ties are suggested, but not required.

Women: Suit (including business pantsuit), dress or blazer with skirt or tailored slacks, tailored pants with a blouse or sweater.

Prohibited: T-Shirts, sweatshirts, or other shirt without collar; athletic attire, tennis shoes, shorts, jeans (regardless of value), denim jackets, untucked shirts, and baseball caps.

PROGRAM DESCRIPTION

This one-day program will focus on the management of Heart Failure (HF). The topics to be discussed are: Care Transition Initiatives, Medication Titration, Continuum Curriculum for HF Cardiology, Diabetes Medications and HF Outcomes and HF Navigation/Outcomes. The goal of this program is for nurses and other healthcare providers to be able to promote quality care related to HF management.

LEARNING OUTCOMES/OBJECTIVES

Upon completion of this program, the participant will be able to:

- Explain the effectiveness of care transitions initiative in assisting quality of care delivery
- Recognize the importance of enhancing guideline-directed medical therapy for patients with heart failure with reduced ejection fraction (HFrEF)
- Discuss treatment options for specific heart failure classes and stages
- Evaluate the literature regarding heart failure outcomes and medications for type 2 diabetes mellitus
- Describe the role of the heart failure clinic and nurse navigator in reducing hospital readmissions
