## **Learning Objectives:**

At the completion of this activity, the pharmacist and pharmacy technician will be able to:

1. Describe the regulatory structure of pharmacy in South Carolina.
2. Discuss recent and ongoing initiatives of the South Carolina Board of Pharmacy.
3. List leading trends in pharmacy regulations in other states.
4. Identify national and federal initiatives and how they may impact practice at the local and state level.
5. Describe upcoming compliance challenges.

**Register online at:** <http://sccp.learningexpressce.com> Registrations excepted until full.

**Cancellation and Refund Policy:** Cancellations received before October 17, 2016 will receive a full refund less a 5% cancellation fee. After October 17, 2016, no refunds will be given. SCCP reserves the right to cancel the entire program. In the event of a SCCP cancelled program, a full refund will be issued.

## **Statement of Accreditation:**

The South Carolina College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of Continuing Pharmacy Education. This program has been approved for 1.0 contact hour (0.10 CEU). Participants must sign in at the beginning of the program and attend the entire session for credit. No partial credit will be awarded. Instructions on how to claim credit will be provided at the conclusion of the program. Participants must complete an on-line program evaluation and update their NABP e-profile and date/month of birth to facilitate reporting to the CPE® monitor system as required. ACPE requires that credit be reported to CPE Monitor no later than 60 days after program completion. Any credit claimed after that date will be automatically rejected by the CPE Monitor. *This is a knowledge based learning activity.*
