<http://SCCP.learningexpressce.com>

Speakers:
Franklin J. Medio, PhD
President, Consulting Services for the Health Professions
and
SCCP Experiential Education Leaders

Learning Objectives:

At the completion of each activity, the participant will be able to:

SCCP: Present and Future

- Identify updates in SCCP curriculum and experiential education.
- Determine vital practice skills necessary for general pharmacy practice and within specific practice areas.
- Identify preferred mechanisms to evaluate practice skills of student pharmacists prior to the start of APPEs.
- Share best practices for preceptors to facilitate students in overcoming practice skill deficiencies.

Professionalism, Entitlement Mentality & the Millennial Learner

- Describe seven behavioral elements of professionalism that promote excellence in patient care.
- List characteristics of the millennial learner and signs of impaired judgment resulting from an entitlement mentality.
- Review four strategies to help learners overcome entitlement mentality impairment.

Challenges of Evaluating Clinical Competence I: Effective Feedback Techniques

- Identify ten important foundational principles for an effective system to evaluate a learner's competence.
- Review ten psychological barriers to giving difficult feedback and strategies to overcome them.
- Analyze a Five-Stage process for giving crucial *instructive feedback* when performance falters.
- Define techniques to promote the development of self-evaluation skills among learners.

Information: Call 803-777-0490

Statement of Accreditation

ACPE Program #0062-0000-14-096-L04-P (2 hours, 0.2 CEUs)
ACPE Program #0062-0000-14-097-L04-P (2 hours, 0.2 CEUs)
ACPE Program #0062-0000-14-098-L04-P (2 hours, 0.2 CEUs)

The South Carolina College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of Continuing Pharmacy Education. Participants must sign in and attend each program to obtain the maximum 6 hours of credit. Participants must update the on-line profile with their NABP e-profile ID and Birth Month/Day and complete the program evaluation so that credit may be submitted to the CPE Monitor® system. Evaluations must be completed within 30 days.
