Description:

The 2022 Pharmacy Technician Continuing Education Program will provide 4 hours of CE credit. The session will cover: Medication Safety in the Geriatric Population, Pharmacy Law: Contraception & Women's Health, Pharmacy Technicians & Vaccination and Effective Communication Strategies. Attendees will participate in active learning activities to apply concepts learned through each of the individual sessions.

**Medication Safety in the Geriatric Population
(9:10am -10:10am)
(ACPE UAN 0062-9999-22-037-L05-T, 1 credit hour,
application-based)**

Objectives:

1. Describe a framework for improving medication safety practices in the geriatric population.
2. Identify age-related changes in older adults that can impact medication therapy.
3. Identify common red flags in geriatric medication regimens.
4. Assess a safety scenario/event and recommend a plan of action to improve medication safety.

**Pharmacy Law: Contraception & Women's Health
(10:10am - 11:10am)
(ACPE UAN 0062-9999-22-038-L03-T, 1 credit hour,
knowledge-based)**

Objectives:

1. Discuss current contraceptive prescribing practices by pharmacists in the United States.
2. Describe established access pathways to contraception in South Carolina.
3. Identify and describe opportunities and challenges to pharmacist provided contraception services.
4. Describe proposed legislation, including South Carolina's Pharmacy Access Act.

**Pharmacy Technicians & Vaccination
(11:15am - 12:15pm)
(ACPE UAN 0062-9999-22-039-L06-T, 1 credit hour,
application-based)**

Objectives:

1. Discuss implications of current legislation on immunization practices incorporating pharmacy technicians.
2. Identify requirements for vaccinating patients, including education, administration, and documentation.
3. Recommend appropriate practices for vaccine administration, emergency management, and safety.
4. Summarize recent changes to ACIP and CDC recommendations for pediatric & adult patients.

**Effective Communication Strategies
(12:15pm - 1:15pm)
(ACPE UAN 0062-9999-22-040-L04-T, 1 credit hour,
knowledge-based)**

Objectives:

1. Describe emotional intelligence.
2. Discuss results of emotional intelligence assessment.
3. Identify your personality type using the Myers-Briggs Type Indicator (MBTI) assessment.
4. Discuss communication styles and strategies for interpersonal communication.
5. Discuss common conflicts at work and effective methods for conflict resolution, including the Thomas-Kilmann Conflict Mode instrument.

Speaker:

Kristy L. Brittain, PharmD, BCPS, CDCES
Associate Professor, MUSC College of Pharmacy; Clinical Pharmacy
Specialist, MUSC Health Ambulatory Pharmacy Services

Continuing Education Credit:

Pharmacy Technicians: The University of South Carolina College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. These activities are accredited for a maximum of 4 live contact hours (0.4 CEUs) for pharmacy technicians (UANs and credit hours as specified above).

To claim credit, participants must register for the event, have their attendance at the live event verified, participate in all active learning activities, and complete all learning assessments during the activity.

Participants must attend an hour-long session in its entirety to claim credit; no partial credit will be issued. Participants must complete an online evaluation within 30 days (providing their correct NABP e-Profile ID and month/day of birth) in order to ensure credit is reported to the NABP CPE Monitor. The CPE Monitor will automatically reject all credit claimed and reported greater than 60 days from the date of the live activity. Please visit <http://cop.sc.learningexpressce.com> to contact the CPE provider with any questions regarding CPE credit.
