Description:

The 2023 Pharmacy Technician Continuing Education Program will provide 4 hours of CE credit. The session will cover: Medication Errors & Patient Safety, Pharmacy Legal & Regulatory Update 2023, Immunization Update 2023, and New medications on the Market. Attendees will participate in active learning activities to apply concepts learned through each of the individual sessions.

Medication Errors & Patient Safety

(9:10am - 10:10am)

**(ACPE UAN 0062-9999-23-061-L05-T, 1 credit hour,
application-based)**

Objectives:

1. Identify common medication errors
2. Describe strategies to prevent medication errors
3. Assess a scenario/event and recommend a plan of action to improve patient safety

Pharmacy Legal & Regulator Update 2023

(10:10am - 11:10am)

**(ACPE UAN 0062-9999-23-062-L03-T, 1 credit hour,
knowledge-based)**

Objectives:

1. Discuss legislative changes in South Carolina that impact pharmacy practice
2. Summarize federal and state legislation related to hormonal contraception and immunization practices in community pharmacy

3. Discuss the pharmacy technician's role in relation to the legislation regarding contraception

Immunization Update 2023

(11:15am - 12:15am)

(ACPE UAN 0062-9999-23-063-L06-T, 1 credit hour, knowledge-based)

Objectives:

1. Identify how vaccines work with the immune system to develop lasting immune response
2. Discuss legal and regulatory updates impacting the provision of immunizations
3. Identify updates to the ACIP recommended vaccines for pediatric and adult populations

New Medications on the Market

(12:15pm - 1:15pm)

(ACPE UAN 0062-9999-23-064-L04-T, 1 credit hour, knowledge-based)

Objectives:

1. Identify recently approved medications on the U.S. market
2. Discuss appropriate dosing and administration information for the newly approved medications
3. Recognize adverse effects to properly assess and monitor patients on therapy

Speaker:

Kristy L. Brittain, PharmD, BCPS, CDCES
Associate Professor, MUSC College of Pharmacy; Clinical Pharmacy Specialist, MUSC Health Ambulatory Pharmacy Services

Continuing Education Credit:

Pharmacy Technicians: The University of South Carolina College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. These activities are accredited for a maximum of 4 live contact hours (0.4 CEUs) for pharmacy technicians (UANs and credit hours as specified above).

To claim credit, participants must register for the event, have their attendance at the live event verified, participate in all active learning activities, and complete all learning assessments during the activity.

Participants must attend an hour-long session in its entirety to claim credit; no partial credit will be issued. Participants must complete an online evaluation within 30 days (providing their correct NABP e-Profile ID and month/day of birth) in order to ensure credit is reported to the NABP CPE Monitor. The CPE Monitor will automatically reject all credit claimed and reported greater than 60 days from the date of the live activity. Please visit <http://cop.sc.learningexpressce.com> to

contact the CPE provider with any questions regarding CPE credit.
