Assistant Professor, University of South Carolina School of Medicine, Department of Family and Preventive Medicine

Paul Bornemann, Christopher Goodman, Wynn Harvey, and Morgan Rhodes, speakers for this educational event, have no relevant financial relationship(s) with ineligible companies to disclose.

Target Audience: Primary Care Clinicians within Prisma Health including: Physicians, Pharmacists, Physician Assistants and Nurse Practitioners

Educational Objectives:

- Describe best practices for starting to provide services for patients with addiction
- Discuss selecting patients appropriate for primary care management of opioid use disorder (OUD)
- Outline regulations related to prescribing medications for OUD
- Review medication selection and dosing

Registration Information:

Participants must register to attend through the Prisma Health-Midlands CME Webpage:

<https://cmetracker.net/USCSOMPHR/Catalog>

There is no cost to attend, but you must register before the activity begins to reserve your space.

Disclosures: Planning Committee members, Christopher Goodman, MD, Donna Ray, MD, Morgan Rhodes, PharmD, and Adrienne Ross, of this educational activity, have no relevant financial relationship(s) with ineligible companies to disclose. There is no commercial support for this activity.

Accreditation: The University of South Carolina School of Medicine-Prisma Health Midlands Continuing Medical Education (USCSOM-PHM CME) Organization is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit Designation: The USCSOM-PHM CME Organization designates this live activity for a maximum of 1 credit hour *AMA PRA Category 1 Credit(s)*TM. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Pharmacists:

The University of South Carolina College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. This activity is accredited for a total of 1.0 live contact hours (0.1 CEUs) for pharmacists (ACPE UAN 0062-9999-21-120-L08-P). This is an application-based learning activity which will satisfy the South Carolina requirement for 1.0 hour of CE related to controlled substances.

Pharmacists may participate in activities free of charge but have the option to pay a \$15 fee for ACPE credit to be submitted to the CPE Monitor following the activity. To claim ACPE credit, participants must have their attendance documented, attend the entire activity, participate in all active learning activities, and complete the online evaluation (providing their correct NABP e-Profile ID and month/day of birth) within 30 days of the activity to ensure credit is transmitted to the NABP CPE Monitor. Any credit claimed greater than 60 days from the date of the activity will be automatically rejected by the NABP CPE Monitor.
