2:15	Break, Exhibits	
2:30	VI. Culinary Medicine & Practice Transformation	Kerri Stewart, RD, LD Dawn Maddux, MPH, BSN, RN
3:15	VII. Cardiac Rehab and Heart Failure: Multidisciplinary Approach	Stacie Snyder, MS, BSN, RN
4:00	Wrap-up, Questions, Evaluations	
4:15	Adjourn	

The speakers and the planning committee have declared no conflict of interest.

CE approval does not imply endorsement of any product.

LEARNING OUTCOMES/OBJECTIVES

At the end of the educational activity, 90% of attendees will be able to:

- I. Discuss Mobility Integrated Health-Community Paramedicine and the impact on clients with heart failure
- II. Describe the role of palliative care and hospice in the continuum of heart failure management
- III. Discuss new data for current drug classes for heart failure management
- IV. Recognize the benefit of using an implantable device in treating moderate to severe heart failure symptoms
- V. Discuss the types and the medical management of cardiac amyloidosis
- VI. Describe culinary medicine and its benefits from employer, client, and community lenses
- VII. Demonstrate the use of cardiac rehabilitation as an integral part of the multidisciplinary approach in the management of clients with heart failure

CONTINUING EDUCATION CREDIT (Accreditation Statement)

You must attend 90% of each of the educational sessions to receive CE credit.

Nurses

This educational activity has been awarded **6.75** contact hours.

SRHS Corporate Education is approved as a provider of nursing continuing professional development by the South Carolina Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

Respiratory Therapists, Registered Dietitians, Physical Therapists, Occupational Therapists

Can avail the approved nursing CE credit.

Long Term Care Administrators

The program has been approved for **6.0** hours of continuing education by the South Carolina Board of Long Term Health Care Administrators. Approval # **20-1078246**

Registered Pharmacists, Physician Assistants, Nurses Practitioners

The University of South Carolina College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. These activities are accredited for a maximum of **6.5 live contact hours (0.65 CEUs)** for **pharmacists** (Learning Objectives, UANs and credit hours as specified on pages below). To claim credit, participants must register for the event, have their attendance at the live event verified, participate in all active learning activities, and complete all learning assessments during the activity. Participants must attend an hour-long session in its entirety to claim credit; no partial credit will be issued. Participants must complete an online evaluation within 30 days (providing their correct NABP e-Profile ID and month/day of birth) to ensure credit is reported to the NABP CPE Monitor. The CPE Monitor will automatically reject all credit claimed and reported greater than 60 days from the date of the live activity.

Please visit <https://cop.sc.learningexpressce.com> to contact the CPE provider with any questions regarding CPE credit.

TARGET AUDIENCE

Nurses, Pharmacists, Respiratory Therapists, Registered Dietitians, Rehab (PT/OT), LTC Administrators and other interested healthcare professionals.

REGISTRATION FEES (Deadline to register September 20, 2023)

- \$100.00 Nurses, RDs, RRTs, Rehab, LTC Administrator
- \$130.00 Pharmacists, PAs, NPs
- \$5.00 Additional fee after September 20

Registration fees include continental breakfast, lunch, and on-line handouts.
Refunds are not allowed.
